

## **SAVOURY SEED SPRINKLE**

Savoury Sprinkle is made is versatile and very tasty with a hint of chilli.

Bring zing to your salads, sandwiches, soups, marinades, dukkahs and spreads.

Let your imagination run wild – Sprinkle any meal - cooked seafood, steak, baked Potatoes or vegetables.

Our favourite is an open sandwich with lots of goodies, like cottage or cream cheese, antipasto, avocado, or just dip some good wholesome bread in a fruity olive oil then into the sprinkle and eat. Yum!
